Creative Thought Consultancy.

Over 20 years experience in design:

- Product Packaging and Branding
- Health and Beauty Design
- Graphic Design
- Exhibition Stand Design
- CAD / 3D Setup and Visualisation
- POS Display Products

We Provide:

- Full Bespoke Brand Design
- Initial Ideas to Print Ready Artwork
- Full Graphic Design Service
- C.A.D Design (Product Prototypes, POS & Exhibition Design)
- Professional Product Photography (In-house Studio)
- Web Design & Social Media Management Service

We pride ourselves on having excellent customer service standards, with product design quality, efficiency and value for money our top priorities. We are an affordable branding design service.

If there is a specific area which is not covered in the attached or above, please feel free to contact ourselves (details on front & back of this presentation)

Discuss your requirements?, feel free to contact us...

Bespoke designed packaging incorporating metallic printing techniques.

We can create 3D CAD visuals to show how your product could look. Without the extra costs of producing a actual printed sample.
